PETITION TO REVIVE AN UNINTENTIONALLY
ABANDONED APPLICATION PURSUANT TO 37 CFR § 1.137(b)

Sir:

It is hereby petitioned to revive the above-identified U.S. patent application that has been abandoned by virtue of the unintentional failing to timely file an express Request that the U.S. national stage of processing be commenced pursuant to 35 U.S.C. § 371, including particularly § 371(f), for the above-identified international application (hereafter "the PCT application"), filed on December 14, 2001 and having a priority date of December 15, 2000. The 30 month deadline for filing the aforementioned Request to commence the U.S. national stage of processing expired on June 15, 2003. This deadline was allowed unintentionally to pass without filing the Request.

This Petition is accompanied by:

(A) Transmittal Letter to the United States Designated/Elected Office (DO/EO/US) Concerning a Filing Under 35 U.S.C. § 371 and copies of the documents referred to therein; and

(B) A credit card form 2038 authorizing payment of the fee of \$750.00 as required by 37 CFR § 1.17(m). The applicant is a small entity.

The Commissioner is authorized hereby to charge any additional fees or credit any overpayment associated with this communication to Deposit Account No. 23-3040.

A duplicate of this Petition is enclosed.

The entire delay which is associated with the filing of the documents of (A) above and which involves a term that extends from the due date for filing the documents until the filing of the present Petition was unintentional.

An early and favorable decision is respectfully requested.

Respectfully submitted,

Robert Detig
